Dear Sir or Madam,

You are cordially invited to the International Die & Mould Forum
at Makino, Kirchheim unter Teck, Germany on **January 24–25, 2023.**

Experience the trend-setting innovations by Makino and learn about
the latest manufacturing trends in the Die & Mould industry.

The forum will feature presentations from industry experts
and will be rounded off by practical demonstrations of our
machines dedicated to Die & Mould applications.

We are looking forward to meeting you in Kirchheim!

Yours sincerely,

Atsushi Kobayashi
